## 'Whatever you do, do everything for the glory of God' 1 Corinthians 10 verse 31

Thank you for your feedback regarding trips/events/'voluntary donations'. (The googleform is now closed.) We had a very positive response so we can now continue planning our future events. In the original letter we explained this was part of a "whole school-Governor-parent-comms" review. Part 2 of this review is attached; it comes from the Governors and we would ask you to read and digest in order that we can make the small changes necessary to help each other.

*Many thanks, Dave*

### Woodland Trust—Pulford Families have accepted 125 new trees

With the help of the Woodland Trust we have been able to carry out our new trees for family initiative, where we successfully have rehomed 125 saplings to our families to plant. Even the Pulford staff and their families have been involved!

Thank you to all the families who signed up. Please feel free to share with us any pictures of your trees and where you planted them.

We hope to make this an annual event, and in time we will be able to celebrate the Pulford School forest!

### Fantastic Fundraising—Thank you!

We raised over £110 through the sale of Royal British Legion merchandise and poppies.

Last week we raised £70 for the Anti-Bullying charity, as we wore our odd socks on Tuesday.

## KS2 enjoys learning about Fresh Air

KS2 had a visit from our sustainable travel officer this week. She came to talk to us about air quality and how we can strive to improve the air we breathe.

We took measurements in the town and we were happy to find out the air by school, in our lovely park area, is lovely and clean.

Engine idling is a large cause of urban pollution so remember to switch off when parked up anywhere you drive to.

## Careful Parking & Consideration

Where possible please can we urge families to use the free parking outside the Post Office for early/late drop off and pick up. We have had several near misses recently near the front entrance and you will appreciate we have very limited space. As there is no pavement we must do everything we can to keep everyone safe. **Thank you**
